### **Donna Jabbour Quinn, SRES® and Jeffrey Stone, CIPS, SRES®,**

*Laffey Fine Homes, Port Washington, NY*

Donna Quinn and Jeff Stone are active senior advocates—and sometimes serve as activists for seniors' causes. They are both members of the Project Independence senior advisory board and radio station, also participating in numerous senior-oriented seminars, centers, conferences and fairs. They're also active members of a seniors professional networking group known as AGES (Association of Generational Experts for Seniors). As a team, Donna and Jeff always freely provide information to the public, as well as other professionals and colleagues, without expecting financial rewards. Their reward is in helping those lost in the senior maze to successfully navigate through it
