

Outstanding Service Award

An SRES® Outstanding Service Award recipient must have shown extraordinary performance and presence in their respective community; demonstrated that they are a source of knowledge and expertise in working with the senior market; and must have shown exceptional principles and furtherance of the principles of good practice among REALTORS® and the 50+ market.

SRES® Designee Lee-Ann Spacek, ABRMSM, CRB, GRI, SRES®

Lee-Ann is an enthusiastic advocate for clients in transition, supporting and guiding them as they move through the downsizing and home sale process. Her goal is to give them peace of mind and to create a seamless transition by providing the highest level of professional service and accountability. As vice president of sales and relocation services at two major real estate companies in northern Ohio, Lee-Ann worked for over twenty years with corporations and executive transferees. She has found that the 50+ market also has very specific relocation needs, and believes it deserves the same high quality of service and attention as is provided to executives.

Lee-Ann is the principal and owner of North Coast Residential Relocation in Cleveland, Ohio. She earned her SRES® designation in 2006. As an instructor at the Tri-C Senior Encore Center, she has taught classes on “Downsizing and Making the Move,” and lectures on how to go about initiating life changes. Lee-Ann is also a consultant to senior living community managers on providing the highest level of service to residents, and to estate and elder attorneys helping their clients downsize, liquidate and sell their properties.
